

BENEFITS FOR THE HOME BUYER

An American Home Shield® Home Warranty can help safeguard your home and budget by covering the cost of unexpected covered breakdowns on the home's plumbing, electrical, heating, air conditioning and more.*

AN AHS® HOME WARRANTY CAN HELP YOU:

- **Gain confidence** from an industry leader.
- **Protect** your home and budget from the costs of covered repairs related to undetectable pre-existing conditions, such as lack of maintenance and mismatched systems.
- **Trust** the reliability of our nationwide network of professional home service contractors.

ADDITIONAL BENEFITS:

- AHS customers receive exclusive discounts on brand-name appliances with the AHS Appliance Discount Program.**
- Receive from 30% to 50% off retail prices on A/C and furnace filters by visiting **discountfilterprogram.com**.

Be sure with the Shield.[™]

*Limitations and exclusions apply. See Agreement for details.

**The Appliance Discount Program is not available in Hawaii. Refer to your agreement for complete coverage details. In Hawaii, air conditioning includes ducted, ductless and window units; heating not included.
